for gunnercooke Partners

For many gunnercooke partners, protecting them and their family’s health is a key part of wealth and inheritance planning. With NHS waiting lists at record highs, timely access to treatment has never been more important.

Capstone Financial work closely with WPA, who offer flexible health insurance policies for individuals or families – all at highly competitive premiums.

- ✓ **Competitive premiums with flexible benefits**
Competitive premiums with the ability to choose different cover options for different families.
- ✓ **No GP referral required**
No GP referral for most benefits. This means there’s no need to visit a GP before using the policy.
- ✓ **Pay personally, or via your business**
WPA gives you the choice to pay premiums personally or via your business bank account - with flexibility to change.
